Mr Terrence Till
Commissioner For Patents
PO Box 1450
Alexandria VA 22313-1450

Dear Mr Till,

Thank you for taking the time out of your busy schedule to assist me in my efforts to obtain a patent for my invention. It has been extremely difficult for me in wading through the rules and regulations, and your help is greatly appreciated. It was especially pleasant to meet a warm, friendly person in what outwardly appears to be a massive, cold, formal government building like the patent office.

I have enclosed a copy of the amended claims, the remarks/arguments, a new copy of the specification, and a copy of the figures. I believe they are now accurate and complete.

Please, let me know if there are any changes or corrections – I will quickly respond to any requests. I am looking forward to your approval, and once again, I want to thank you for your help and consideration.

Respectfully,
